Chapter 1 by Ravenisk

It was the moment that I stepped through the door, in which I was amazed. Delicate vines wrapped around the astonishing wizard guild. I couldn't believe I was actually standing in Silver Kai, the guild I was hoping to get into. Today was the day that was going to change me. I was really hoping to find a girl that was right for me and make friends of course.

But I don't want to be popular, I want to be a normal teenager and maybe even find THE ONE. I was hoping that learning magic would be a ticket to a new life. My magic was ice magic, where naturally I could make anything out of ice.

As minutes passed by I had attempted to make friends, but it didn't work out so well. Suddenly, something caught my attention. It seemed to be a girl wearing a cloak and she was making her way up the stairs. Out of curiosity I followed her. As I halted at the door I saw her enter, I was alerted by sobbing noises coming from within. I deeply inhaled and opened the door.
